Person of the Year Fact File

Who is the person of the year?

King Henry VIII

When were they born and when did they die?

28th June 1491 to 28th January 1547 (aged 55).

Where did they come from?

Greenwich Palace

What did they do to be person of the year?

Henry VIII was very busy in 1534. He, with his advisors, had Parliament pass an Act which made him the leader of the Church of England. This was very significant as before it had been the Pope. This meant that Henry was able to change religious rules to suit himself.

Why are they famous?

King Henry VIII is also very famous as in 1533 he also divorced his wife Catherine of Aragon; he decided that this could happen as he was the head of the Church, although Parliament had to pass a law agreeing to it.
